In connection with the claim of Mr. B.G. Srinivasacharya, Superintendent of the Minto Ophthalmic Hospital, for free quarters, the member was pleased to observe that the question of quarters for medical officers seemed to require revision and that the Senior Surgeon should be asked to offer his suggestions.

The Senior Surgeon has suggested -

(1) That all Sub-Assistant Surgeons should be provided with free quarters or allowed house-rent.

(2) That medical officers who are expected to be available for work in the Hospitals and Maternities to which they are attached at all hours should be provided with free quarters.

(3) That the Medical officers in charge of institutions where there is a Resident Medical Officer and the District Medical Officers need not be given free quarters.

(4) In places where Govt officers are provided with quarters owing to the difficulty of securing houses or any other reason, the officers may be charged rent according to rules .

The following principles may be laid down for regulating the grant of House rent to Medical Officers and Subordinates and provision of quaters etc.

In the cities of Bangalore & Mysore.

1. The Resident Medical Officers of the Victoria & Krishnarajendra Hospitals.
2. The Lady Medical Officers attached to the above institutions and the Maternities.
3. The Superintendent, Lunatic Asylum.
4. The Resident Medical Officer, Minto Hospital.
5. The Sub Assistant Surgeons on the permanent staff of these institutions.

(Officers undergoing post graduate study - proposed by Senior Surgeon) -

(1) Such of the officers and subordinates as are required to attend to emergent cases in Hospitals at all hours should be compelled to live in the Government quarters provided for them near the Hospitals. In this case Government quarters have been provided for many. Those that have not been provided or cannot conveniently be provided early may be allowed House rent on conditon they will secure houses in close proximity to the institutions to which they are attached.

(2) Other officers in the cities of Bangalore & Mysore who have been prohibited from private practice may be allowed House rent unless they are allowed other local allowances to compensate loss.

(3) In the mofussal, Assistant Surgeons attached to the District Hospitals & Lady Officers of the Female Dispensaries should be provided with free quarters or allowed House-rent in lieu thereof subject to the conditon they live close to the insttutions and will be available for work at all hours.

(4) All Sub-Assistant Surgeons appointed to sanctioned posts should be provided with free quarters or allowed house rent in liew thereof by the agency employing them subject to the condition

that the houses engaged by them are approved by the immediate Administrative Authority.

N.B.- In case No.(3) Quarters should be built in places where houses cannot be secured in close proximity to the institutions.

(5) Buildings should be built near Hospitals for Officers entitled to free quarters.

In the case of Medical Officers not entitled to free quarters according to the above principles Government quarters may be provided only in places where suitable housing accommodation cannot be secured on payment of rent. In their case rent should be levied from the officers occupying them. A list of such places will have to be made and officers posted to such places must be made to pay rent whether they occupy the house or not in consideration of the fact that the quarters are intended for their benefit and the rent charged is proportionately low.

If the main principles are approved, the Senior Surgeon will be requested to furnish a list of officers to whom free quarters have already been provided and the number of additional buildings that may be found necessary.

In regard to the practice in Madras attention is respectfully invited to paragraphs 88 to 97 & 204-208 of the Madras Medical Code. In Bombay also it is ~~noted~~ ruled that all Sub-Assistant Surgeons should be granted by the authorities paying their salaries, free quarters or house-rent. (Page 87, Rules 12 & seq)

Many sanctioned works also have been kept in abeyance for want of funds. No funds can, therefore, be made available for any buildings not provided for in the Draft Budget Estimate. Charge of hospitals & dispensaries living close to the latter so that they may be available for emergencies. The inconvenience arising from such officers putting up far away from their dispensaries can arise only in big places like Bangalore & Mysore. In other cases these officers wherever putting up can not be very far away from their dispensaries, as the places are in most cases comparatively small stations and no very great inconvenience can arise if they are not within the dispensary precincts or immediately close to the dispensary.

2. The provision of quarters within the precincts is certainly a desirable arrangement but the grant of house rent is not, for reasons stated above, and a measure of urgency even recently in many cases — I would therefore suggest the deferring of this proposal until money for construction of buildings can be found.

I regret I cannot agree with the financial [illegible] I think the whole question of all [illegible] as proposed by the Senior Member of the Secretariat should be sanctioned. There is a good deal of discontent prevailing in the minds of the subordinate medical staff in the Province and the small allowance proposed in this case will be a long way to remove the discontent. Though the monthly expenditure amounts to Rs 671 p/m, the annual debitable to State funds is Rs 112 a month. As long as not a great drain upon the resources the State, Administrative difficulties should be approved by the Council and to carry into effect the expenditure can be easily met by re-appropriation during the current year.

The Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

With reference to your letter No. 5839/Med:77-17-6 dated 16-4-1918, calling for my views on the question of the grant of free quarters to medical officers, I have the honour to state as follows:-

All medical officers and subordinates are expected to be present in the hospitals to which they are attached, during the usual working hours (7 to 11 A.M. and 4 to 6 P.M.) and attend to all work that may be awaiting them.

The necessity for providing free quarters arises from the fact that officers placed in the position of R.M.O's., and Sub Assistant Surgeons attached to medical institutions are expected to take turns of duty out of the usual working hours and also to attend to emergencies at any hour of the day or night, and these officers and subordinates ought to be provided with free quarters on the premises or in the vicinity of the medical institutions in order that their presence may be secured at a moments notice in case of any emergency.

Where owing to the difficulty of securing houses or any other reason Government quarters are provided, the officers who are permitted to occupy the same should be made

made to pay rent according to rules. Medical Officers in charge of institutions, such as the Victoria Hospital, Bangalore, the General Hospital, Mysore, and the Minto Ophthalmic Hospital Bangalore, are not expected to attend to emergencies and need not therefore be provided with free quarters. The R.M.O's and Sub Assistant Surgeons on the permanent staff of the institutions, are provided with free quarters.

The Lady or Assistant Lady Medical Officers attached to the Victoria Hospital, Bangalore and the General Hospital, Mysore, have to undertake the training of pupil nurses and exercise disciplinary control, over them. They may also be called upon to help in emergencies occuring among female patients and as such they may be provided with free quarters on the premises.

(2)

In case of Maternities at Bangalore, Mysore and Robertsonpet when there is only one gazetted Lady Officer, she may occupy the free quarters attached to the institution. But where there are two officers, the junior who is in the position of R.M.O., should be given free quarters.

(3)

The District Medical Officers of Bangalore and Mysore are not attached to any medical institutions and need not be granted free quarters or house rent. Similarly, the District Medical Officers of other districts, although they are in charge of the District Head Quarter Hospitals, yet being touring officers cannot be expected to perform the duties of a R.M.O. These duties will devolve on the Junior Assistant Surgeons or the Senior of the Sub Assistant Surgeons attached to the institutions. The Junior Assistant Surgeons and Sub Assistant Surgeons ought to be provided with free quarters or house-rent now enjoyed by the District Medical Officers.

4

(5)

The Female Dispensaries at all District Head Quarters will be converted into maternities and it is therefore necessary that the Lady Apothecaries or Assistant Lady Medical Officers in charge thereof, should be provided with free

6

The

free quarters.

The Superintendent of the Lunatic Asylum being the only gazetted Medical Officer attached to the institution, ought to live in the free quarters provided in the premises.

Officers undergoing post graduate course may, for reason explained in my letter No. G.323 dated 17th January 1916 (Vide G.O. No. 2875/Med:90-15 dated 11th November 1916) with advantage be given free quarters.

All Sub Assistant Surgeons may be allowed free quarters near their institutions or a house rent in lieu thereof, to make their position similar to what it is in the Madras Presidency. On this subject, my views have already been submitted to the Government in my letter No. G. 508 dated 15th May 1916 which is pending orders.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon, M.G.

No.291-324--2149-82 Dated Bangalore 26th March 1908.

The existing rules under which rents are levied on Government buildings occupied as residences by Government officials according to the salary they draw, irrespective of the capital cost of the buildings, the ordinary repairs thereto being carried out by the tenants themselves, are not considered satisfactory; as not only does Government suffer pecuniary loss on the construction of such buildings out of public funds, but considerable trouble is experienced in getting the ordinary repairs satisfactorily carried out by the tenants. It is therefore considered desirable to adopt rules on similar lines to those of the Government of India, so as to secure a moderate interest on the capital outlay on these buildings, as well as an additional sum sufficient to cover the average annual charges for maintenance and repairs which should be carried out by the Public Works Department itself, the tenants being relieved of their obligation in this respect. The following modified rules are therefore promulgated (pending the issue of a local Public Works Code now under preparation) and they will have effect from the beginning of the next official year, 1st July 1908.

2. The rent for each building per mensem will be fixed by the Chief Engineer at half per cent on the present value of the building as shown in the registers (exclusive of charges on account of establishment and tools and plant), subject to the following conditions:-

(i) The rent charged for any building occupied by a Government officer shall not exceed 10 per cent on the salary (including personal allowances and local allowance) of the officer in actual occupation.

(ii) When only a part of a building is occupied, the rent shall be proportionately reduced

(iii) When the capital cost of a building as shown in the registers is in the opinion of the Chief Engineer greatly in excess of its real value, so as to involve the assessment of a rental for above the value of the accommodation provided, application may be made to Government for sanction to write off a portion of the capital cost.

(vi) Every fraction of a rupee less than half a rupee shall be taken as half a rupee in the results arrived at in calculating the percentages.

But Government reserve to themselves the right of fixing a special rent in such cases as they may consider necessary.

3. No rent will be charged --

(1) To officers in receipt of a salary under Rs.15/-

(2) To officers whose residence within, or in close proximity to the premises of the institution in which they are employed, isconsidered by Government to be necessary, and who have been specially provided with an official residence with this object free of rent.

(3) To an officer who is entitled to a free house as a part of his official emoluments in accordance with an order of Government.

Note:- A free-house does not include any of the furniture required for it but it means only a house free of rent. But when a Government building or a furnished house is given free to any officer under the special orders of Government, all that is usually done by any landlord will be done, such as providing mats, blinds, etc., and employing a gardener.

4. The rent to be paid per mensem by any private person for the occupancy of a Government building will be fixed at the same rate as for Government officials, except that there will be no maximum limit; there will however be a minimum limit for rent of Rs.2/-

5. The collection of rents will rest with the Public Works Department, to which they will be credited. The recovery from Civil Officers will be made in the manner laid down in Government Order No.5063-102, dated the 9th April 1904.

6. The payment of all Municipal taxes will be made by the Public Works Department.

7. The custody of all unoccupied buildings will rest with the Revenue Department, which will be held responsible for all wanton damage which mayhappen to them while in its charge. Watchmen should be employed at Government cost only when a building is vacant Proposals for the occupation of such buildings for public purposes or as residences of officials or others, should be sanctioned by the Public Works Department.

8. The execution of repairs or other works required to the buildings in question will rest with the Public Works Department. The work to be done to them by the Department will generally be confined to the ordinary periodical repairs (including white and colour washing, etc.) and to what is necessary (1) for the stability of the building, (2) for preventing deterioration or leakage through the roof, (3) for proper sanitation, and (4) in exceptional cases, for providing minimum accommodation (where it already does not exist) for a household of a nationality to which the officer belongs.

9. The tenants are not at liberty to carry out any work which will alter or interfere with the structural details of the buildings nor cut trees in the compounds without the express approval of the Executive Engineer They shall also be precluded from erecting any temporary building or shed in the compound without the permission of the Executive Engineer.

10. The tenants will be held responsible for the condition of the buildings while in their occupancy and they are, on vacating, bound to hand over the same in proper order, i.e., without any damage having been done to them.

11. Before vacating the buildings the occupants must give timely intimation to the Public Works Officer, or subordinate at the place, of the date on which they intend to vacate, to allow of an inspection being made to ascertain if the buildings are handed over in proper order. If a building is not in that condition, what is required to render it so should be noted and communicated to the party concerned at once and steps taken to recover cost of the same from him.

12. If a building is provided for a Government official as his residence, whether newly built, bought, or adapted for the purpose that official is bound to pay rent eve if he does not occupy it. But if the building is rented by some other official, the rent recovered from him will be deducted from the amount of rent payable by the official for whom the house was intended.

13. These rules do not apply to travellers' Bungalows for the occupation, etc., of which separate rules have been prescribed.

W. Mc. HUTCHIN,
Secretary to the Government,
Public Works Department.

OFFICE OF THE SENIOR SURGEON.
MYSORE GOVT.,

Bangalore, 17th July 1918.

D.O. No. C. dis: 47

Dear Sir,

GEN. & REV. SECRETARIAT
JUDICIAL
19 JUL 1918

As desired in your D.O. No.9698 dated the 15th July 1918, I forward herewith a copy of Senior Surgeon's letter No.G.508 dated 15-5-1916, regarding the grant of house rent allowance to Sub Assistant Surgeons.

Yours truly,

Personal Assistant
to the Senior Surgeon.

To

G. Srinivasa Iyer, Esq., B.A., M.L.,
Assistant Secretary to Government,
BANGALORE.

Letter No. 508 dated 15-5-1916, from the Senior Surgeon, Government of Mysore, Bangalore, to the Secretary to the Government of Mysore, General Department, Bangalore.

With reference to your letter No. 2659-Med:184-12-9 dated 12th September 1914, stating that the grant of house rent allowance to Sub Assistant Surgeons may be necessary only in certain places where difficulty is felt in securing house accommodation and in certain malnad stations and requiring me to have a list of such places prepared and submitted for consideration, I have the honour to state as follows.

2. Both in Madras and Bombay Presidencies all Sub Assistant Surgeons, whether employed under Government or Local Boards or Municipalities are granted free quarters or house rent in lieu. In the Bombay Presidency the rates vary from Rs.4 to Rs.15/- per mensem. While in Madras they are Rs.8 in the Presidency Town and at Rs.5/- per mensem in other places. This house rent is allowed to Sub Assistant Surgeons, as part of their emoluments, without any reference to the availability of house accommodation or to any other local conditions. This and certain other ~~occasions~~ concessions and the prospects of a fairly lucrative private practice make the British Service more attractive than the local one and cases are not wanting where persons qualified at State cost have sought the Madras Service agreeing to refund the amount spent by the State on their medical education.

3. It was with a view to minimise these chances and to improve the condition of the local subordinate Medical Service and to bring it as near as possible to that in Madras, that the recommendation for the grant of house rent allowance or rent-free quarters was made in this office No. G.488 dated 21st May 1913. Another advantage of the system is that the grant of the allowance may be made conditional on the medical subordinate taking up his residence at a conveniently short distance from his dispensary.

4. Again, where no house accommodation is available or where it can be had with difficulty, it is doubtful whether the grant of the house rent allowance, as suggested by Government, will in any way improve the position. It may, on the contrary, ~~make~~ make matters worse by increasing the already existing discontent in the minds of those medical subordi

56

subordinates who are stationed at places to which the allowance may not be attached. Unfavourable local conditions are already compensated by the grant of increased rates of charge allowance.

5. The above considerations induced me to refer the question to all the Deputy Commissioners and Presidents of District Boards and Municipalities for obtaining the views of the local bodies concerned. Opinions have been received from all the local bodies and their resolutions are herewith submitted in original, for favour of perusal and kind return. An abstract of the opinions of the Local and Muncipal Boards is put up, from which it will be seen that with but few exceptions they all generally favour the proposal to grant house rent or free quarters to Sub Assistant Surgeons.

6. A statement is attached, for the sake of convenience showing the number of sanctioned places of Sub Assistant Surgeons, whether quarters exist or house rent has to be granted and what the additional cost is, that will be thrown on the several funds - State, Local and Municipal. It will be seen that the total number of Sub Assistant Surgeons is 187, of whom 78 are attached to medical institutions maintained from State Funds. In the case of 18 free quarters are provided and house rent will have to be paid at Rs.8/- in the case of 36 including 11 reserve, and at Rs.5/- in the case of 24 involving an additional cost of Rs.4896/- per annum on State funds. Of the Sub Assistant Surgeons attached to institutions maintained from District or Municipal funds 27, who are now required to pay rent for the Government quarters occupied by them, will have to be exempted from the same and 82 will have to be granted house rent in lieu of quarters.

7. I request that the question, which has been pending for a long time, ~~may~~ kindly be given early and favourable consideration and the lot of these poor Sub Assistant Surgeons improved to some extent.

C O P Y

For Senior Surgeon.

Abstract of opinions of the several Local and Municipal Boards on the question of providing Sub Assistant Surgeons with free quarters or granting them house rent in lieu of quarters.

BANGALORE CITY MUNICIPAL COUNCIL - Letter No. 1055 d/-7-11-14.

They do not see their way to grant house rent to Sub Assistant Surgeons in charge of dispensaries in the City.

BANGALORE DISTRICT BOARD - Letter No. 3493 dated 30-1-1915.

House rent may be allowed to Sub Assistant Surgeons who have no official quarters, at Rs.5/- a month.

BANGALORE DISTRICT MUNICIPALITIES - Same letter.

7 Municipalities (Hoskote, Doddaballapur, Magadi, Clospet, Chennapatna, Anekal and Devanhalli.) agree; 3 Municipalities (Nelamangala, Tyamagondlu and Kankanhalli) plead their inability to pay.

Kolar District Board- Letter No. 715 dated 2-12-1914.

It is desirable to grant house rent to Sub-Assistant Surgeons.

KOLAR DISTRICT MUNICIPALITIES - Letter No. 1629 dated 2-4-1915.

(Kolar, Bowringpet, Mulbagal, Chintamani, Sidlaghatta, Chickballapur, Goribidnur, Bagepalli) 5 agree. (Malur and Gudibanda) plead inability to pay. But the latter recommends the proposal.

KOLAR GOLD FIELDS SANITARY BOARD - Letter No. 183 dated 27-10-1914.

The allowance should be granted.

MYSORE CITY MUNICIPALITY - Letter No. 496 dated 3-11-1914.

Grant of allowance is reasonable. But Government should pay it as the Muncipality is paying charge allowance in full.

MYSORE DISTRICT BOARD - Letter No. 5784 dated 28-11-1914.

The board is willing to pay its quota of house rent.

MYSORE DISTRICT MUNICIPALITIES- Letter No. 3746 dated 28-10-1915.

Malvalli, Heggadadevankote, Yedatore, Hunsur, Seringapatam Maddur, French Rocks, Nagamangala, Mandya, Gundlupet, Melkote, T. Narasipur, Nanjangude, Krishnarajapet, Chamarajanagar, all agree either to pay house rent or construct free quarters.

TUMKUR DISTRICT MUNICIPALITIES. - Letter No. 178 dated 22-7-1915.

7 Municipalities, (Maddagiri, Chickanaikanhalli, Sira, Gubbi, Tiptur, Pavagada and Knigal) agree. Koratagere and Turuvekere - unable to pay.

TUMKUR DISTRICT BOARD - Letter No. 1152 dated 7-1-1915

The remedy lies in increasing the pay of Sub Assistant Surgeons. If payment of house rent is considered necessary, the Board is willing to pay its quota.

KADUR DISTRICT BOARD - Letter No. 1847 dated 7-12-1914.

The concession may be allowed - but as the District Board is poor, the Government may meet the charges.

KADUR DISTRICT MUNICIPALITIES - Letter No. 2875 dated 26-4-1915.

Tarikere, Kadur, Birur and Mudigere agree

Letter No. 2975 dated 12-5-1915.
Koppa and Narasimharajapura agree.

SHIMOGA DISTRICT BOARD- Letter No. 1573 dated 19-1-1915.

The Board concur in the proposal of giving house rent or rent-free quarters.

SHIMOGA DISTRICT MUNICIPALITIES- Letter No. 1646 dated 28-1-1915 and No. 2060 dated 20-3-1915 all agree.

HASSAN DISTRICT BOARD AND MUNICIPALITIES- Letter No. 1210 dated 17-4-1915.
The District Board as well as all the Muncipalities in the District are agreeable to the proposal.

CHITALDROOG DISTRICT BOARD - Letter No. 1089 dated 10-12-1914.

The Board is willing to bear its quota.

CHITALDROOG DISTRICT MUNICIPALITIES - Letter No. 1465 dated 9-2-1915.

All agree. Hiriyur has quarters and says no need to levy rent.

Sir,

With reference to your letter No.G.8045-Med.77-17-8 dated the 5th November 1918, requesting me to submit a rough estimate of the number and cost of the buildings required under the proposed scheme for housing medical officers andsubordinates attached to medical institutions in the State, I have the honor to state as follows.

In paragraph 6 of my letter No.G.508, dated 15th May 1916, it has been stated that the number of Sub Assistant Surgeons attached to medical institutions at District Head Quarters, maintained from the State Funds was 78. Of these, two are in charge of the dispensaries at Basavangudi and Malleswaram, which are proposed to be transferred to the City Municipal Council, Bangalore. Against this, an additional Sub Assistant Surgeon has since been sanctioned for the Lunatic Asylum, Bangalore, and one is proposed to be attached to the Krisgnarajendra Hospital, Mysore. Thus, the number of medical subordinates attached to institutions maintained by State Funds, remains the same, viz., 78. Deducting from this number, the number for whom quarters are provided, viz, 18 and the 11 reserve, not attached to any particular institution and for whom quarters are not necessary, (but who will have to be paid house rent, instead), quarters have to be

constructed for 49. The number of Sub Assistant Surgeons attached to dispensaries maintained by District and Municipal Funds, was stated to be 82, to which 2 will have to be added on account of the Malleswaram and Basavanagudi dispensaries, to be transferred to the Municipality. Again, three permanent dispensaries were since sanctioned in the Shimoga District, viz Anavatti, Sahthebennur and Aralgode. An additional Sub Assistant Surgeon has also been sanctioned for the four Semi-itinerant dispensaries of Humchadakatte, Megarvalli, Ananthapur and Mandagadde and for Sagar and it is quite necessary that quarters should be provided at these places and at Seringapatam for the extra Sub Assistants. The number for whom quarters have to be provided in the mofussil is 93. The total number of Sub Assistant Surgeons who have to be provided with quarters, comes to 142 and the cost at Rs.3,500, per head, on an average, will come to Rs. Rs.4,97,000, or about 5 lakhs. It may also be necessary to provide quarters for the Medical Graduates in charge of the above semi-itinerant dispensaries, but the number has been included in the statement submitted with my letter of May 1916. Besides the above, there are 6 dispensaries, of Aldur, Attigundi, Balur, Balehonnur, Lakkavalli and Santaveri, tentatively established in the Kadur District, by the marginally noted Government Orders and the Itinerant dispensaries of Bellur and Nagenhalli (chicknalāi) in the Hassan District, the requirements of which have to be considered in case the institutions are to be permanently established, which is quite probable. This will mean quarter for 10 more hands, or Rs.35,000 more. At the same time, the question of quarters for the Sub Assistant Surgeon attached to the Maternity Bangalore, (1), Lunatic Asylum (1), Krishna ragendra Hospital (5), will be dealt with in connection with

M.G.

the separate schemes for the construction of these institutions. On the whole Rs.5 lakhs may be taken as a fairly good estimate of the buildings required for Sub Assistant Surgeons.

As regards Officers, the quarters now occupied by the District Medical Officers at the ~~six~~ five District Head Quarters of Hassan, Kolar, Shimoga, Chickmagalur and Chitaldrug will have to be given over to the Assistant Surgeons to be attached to these places under the re-organisation scheme. Quarters will have to be constructed at Tumkur and for the Resident Medical Officer of the Minto Ophthalmic Hospital. The cost of these buildings may be estimated at Rs.20,000.

Quarters have to be built for the Lady Apothecaries at Hassan, Chitaldrug, Thirthalli, Tarikere, and for the one to be placed in charge of the proposed female dispensary at Nanjangud. These five buildings will cost about Rs.25,000.

Summing up, quarters will have to be built for two Officers of the Assistant Surgeon's grade, five Apothecaries, and 142 Sub Assistant Surgeons, and the estimate of cost is Rs.5,45,000 or, say 5½ lakhs.

I have the honor to be,

Sir,

Sir,

With reference to your letter No.G.28985-Med.77-17-10, dated 30th June 1919, requiring a detailed statement showing the number of officers and subordinates of the department, who will have to be granted house-rents till free quarters are provided for them, (1) in the Bangalore and Mysore Cities, (2) at District Head Quarters and (3) Local Fund Dispensaries (rural areas), I ha have the honor to forward herewith the required statementA, showing that a total sum of Rs.1,001-0-0 per mensem will have to be granted as house-rent to the several individuals from the sources indicated in the said statement. A list of places where there are Government quarters attached to the medical institutions is also added in the Statement. The occupants are now made to pay rent according to rules and the same is collected by the P. W. Department. These quarters will have to be declared as rent-free.

Another statement (B) is also enclosed, giving the degignations of officers and subordinates who are now provided with free quarters or who are given house-rent. The total amount now paid as house-rent is Rs.200/- per mensem and is met from the Medical Budget, as the institutions to which the officers are attached are State maintained ones.

The Minto Ophthalmic Hospital has no free quarters attached to it and intended for the Superintendent. But Mr. B.G.Srinivasacharya is occupying a Government building on payment of

65

The general principles on which the provision of rent-free quarters or grant of house-rent have already been explained by me in my letter No.G.C.632, dated 11th May 1918. But if, according to the Government Order No.G.679-80-Med.69-16-4, dated 13-7-1918, the officers who have been till now in enjoyment of house-rent or free-quarters, are to be allowed to continue to draw the same, it is reasonable to grant a house-rent in lieu of free-quarters to the Superintendent of the Medical Stores, in view of the fact that as combined Superintendent of the Lunatic Asylum and Medical Stores, he has been for many years occupying free-quarters and the Superintendent of the Medical Stores, by himself, was allowed free quarters(in the building since occupied by the Mysore Bank) when the Stores had a separate Superintendent in Mr.R.Wale, and Mr.S.Venkoba Rao. In view of the present rental value of houses in the State, the rates of house rent may be fixed as follows in the several areas and according to the grade of the officers concerned.

XV. Letter No. 18016-26 Medl. 77-17-13 dated 23rd March 1921 from the Secretary to Government Revenue Department requesting the opinion of the Board in the matter of giving h house rent to Assistant Surgeons and Sub Assistant Surgeons who are not provided with quarters.

RESOLUTION:- The Board regrets its inability to find funds for meeting its quota of the cost. Further it does not see how the Assistant Surgeon or the Sub Assistant Surgeon will be able to obtain a convenient house very near the dispensary so as to be able to attend to emergent cases at all hours of the day, if house-rent at a certain rate be sanctioned. Quarters may be constructed for them as early as possible.

Sir,

In continuation of my letter No.385/20-21 L.B. dated 19th August 1921 submitting the resolution of the District Board in the matter of the grant of house rents to Assistant Surgeons and Sub Assistant Surgeons in places where quarters are not provided, called for in your letter No.18016 26 Medl 77-17-13 dated 23rd March 1921, I have the honor to submit herewith copies of the resolution of the Tarikere and Birur Municipal Councils in the matter. The former is willing to bear its share of the cost for granting house rent while the latter is of opinion that the amount it is contributing towards the maintenance of the Dispensary is in itself an item of large expenditure to it considering the receipts and expenditure of the Municipality and that it is not possible to bear the extraw cost towards the payment of house rent to Sub Assistant Surgeons.

[illegible] are agreeable to bear the cost of the house rent to their respective Sub Assistant Surgeons at the rates proposed in your letter of the 23rd March last. The Municipal Council of Channarayapatna are prepared to pay $\frac{1}{3}$ of the cost, while the Municipal Council of Arkalgud express their willingness to bear their quota of the cost, the balance being paid by the Taluk or the District Board. I enclose herein the resolutions of the Municipal Councils together with a statement of contribution promised by the several Municipal Councils for information.

But, I am of opinion that in view of the poor finances of the Municipal Councils and the heavy charges they are already getting for medical relief, it may not be possible to allow any addition to the recurring expenses which they are already incurring. Further, the Taluk Head Quarters where house rents have been proposed to be granted are only small towns, and there seems to be hardly any justification for allowing house rent to the medical officers in charge, on the ground that they may be called upon to attend to emergent cases in all hours.

I have the honor to be,

Sir,

Your most obedient servant,

P. Sunyanarayana Setti
